SIR,

Subject:-- JUNGLE WARFARE TRAINING SCHOOL - MANDAGADDE.

--

I have the honour to state that the Military authorities have asked for permission to use the portion of the land shown in the accompanying plan on the banks of the Tunga river for constructing Settling and Chlorinating tanks for supplying pure water to the Military camp at Mandagadde village in Thirthahalli Taluk. The Deputy Commissioner who was asked to furnish his opinion on the request of the military authorities has reported that the spot in question was jointly inspected by the Sub Division Officer, Shimoga and the Amildar, Thirthahalli taluk in company with the Military Sub Division Officer (Engineering) and the Garrison Assistant Engineer camping at Mandagadde. This bit of land is situated in S.No. 101 of Lingapur village, Mandagadde hobli and is in private holding. It is reported that the extent of this land is 1 acre and 22 guntas and that the owner is agreeable to lease it out on a ground rent of Rs 25/- per annum. I am sending herewith, for favour of perusal, a copy of the report received from the Deputy Commissioner in this behalf. As the Military authorities require this piece of land for a temporary period till the duration of the ~~copy~~, the Deputy Commissioner has suggested the leasing out of this land on a ground rent of Rs 25/- per acre, as agreed to both by the owner and the Military authorities. In view of the urgency of the matter, I have permitted the Military authorities

Report No. A7.C. 505-39/43-44 dated 19th August 1943 from the Deputy Commissioner, Shimoga District, Camp: Thirthahalli to the Revenue Commissioner & Civil Representative in Mysore.

Subject:-- Jungle Warfare Training School - Mandagadde.

--

With reference to your letter No. C.L.O. 1/43-44 dated 13th August 1943 calling for my views regarding the request of the Military authorities to use the portion of the land shown as per sketch, in Mandagadde village, on the banks of Thunga River to construct Settling Tanks for supply^{ing} pure water to the Camp, I have the honour to state that the spot in question was jointly inspected this day by the Sub-Division Officer, Shimoga and the Amildar, Thirthahalli Taluk. The Military Sub-Division Officer (Engineering) and the Garrison Assistant Engineer camping at Mandagadde were also present at that time. It is reported that the spot is situated in S.No. 101 of Lingapur village, Mandagadde Hobli and belongs to one Patel Upendra Gowda of the same village. The land is 1 acre and 22 guntas in extent and the owner has expressed his willingness in his statement before the Amildar either to part with the land for an outright price of Rs 100/- per acre or to let it on lease at Rs 25/- per annum. Enquiries made in this behalf disclose that the spot in question is only required by the Military authorities for a temporary period till the duration of the camp. In this view of the matter the Sub Division Officer reports that it is not desirable to buy the land or to acquire it permanently. He suggests that the land may be taken possession on a lease basis of Rs 25/- per annum for which the owner as well as the Military authorities are agreeable. I agree with the Sub Division Officer and opine that the land may be taken on a lease basis for the purpose required.

The records of enquiry are enclosed for reference.
